Earring

Pendant

Ornament

Pendant:

Use 1/8" to 1/4" (3 mm to 6 mm) hardwood or MDF

Thread a jump ring through the hole

Use waxed cotton, thin thong or fine chain

Wood- or glass beads can be added

Earring

Required for each set:

Two jump rings and two earring hooks

NB: Where applicable, adjust the size of the hole in the pattern for the size of jump ring used

Use 1/8" (3 mm) hardwood or MDF

Use a very small size drill bit for the entry holes and a small size blade

Stack two layers of material to cut a pair of earrings

Sand all the work pieces

Paint MDF pieces with spray paints or acrylics

Finish hardwood and painted pieces with clear spray varnish

Use small pliers to carefully bend open a jump ring and attach it to an earring hook

Thread the jump ring through the hole in the wood piece/top wall of the earring piece

Close the jump ring using the pliers
